## Quote Terms

This Quote will, if Customer issues a purchase order for the quoted items that is accepted by Supplier, constitute a contract between the entity issuing this Quote ("Supplier") and the entity to whom this Quote was issued ("Customer"), on the basis of the Governing Terms defined below. Unless otherwise stated herein, all prices are net of VAT (which will be invoiced at the applicable statutory rate) and are valid for thirty days from the date of this Quote. Supplier reserves the right to cancel this Quote (and/or the corresponding purchase) as a result of any pricing errors. Additional freight charges may be applied if Customer requests expedited shipping.

Governing Terms This Quote is subject to:

- A separate written agreement between Customer (or Customer's affiliate) and Supplier (or Supplier's affiliate) to the extent that it expressly applies to the quoted items in this Quote;

or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale that are available as follows:

- For commercial end users: [www.dell.pl/warunki](http://www.dell.pl/warunki)
- For distributors or resellers: [www.dell.com/learn/pl/pl/plcorp1/terms-of-sale-reseller](http://www.dell.com/learn/pl/pl/plcorp1/terms-of-sale-reseller)
- For OEM customers: [www.dell.com/learn/us/en/usc corp1/oem-terms](http://www.dell.com/learn/us/en/usc corp1/oem-terms)
- For cloud/as-a-Service offerings, the applicable cloud terms of service, identified on the Offer-Specific Terms ([www.dell.com/offeringspecificterms](http://www.dell.com/offeringspecificterms)).

And

- The terms stated or referenced herein

(collectively, the "Governing Terms").

Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

**Supplier Software Licenses and Services Descriptions** Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on [www.Dell.com/eula](http://www.Dell.com/eula). Descriptions and terms for Supplier-branded standard services are detailed at [www.dell.com/servicecontracts/global](http://www.dell.com/servicecontracts/global) or, for certain infrastructure products, at [www.dellemc.com/en-us/customer-services/product-warranty-and-service-descriptions.htm](http://www.dellemc.com/en-us/customer-services/product-warranty-and-service-descriptions.htm).

**Offer-Specific, Third Party and Program-Specific Terms** Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on [www.dell.com/offeringspecificterms](http://www.dell.com/offeringspecificterms).

**In case of Resale only** Should Customer procure the quoted items for resale, whether on a standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

**In case of Financing only** If Customer intends to enter into a lease or other financing arrangement ("Financing Agreement") for the quoted items with Dell Financial Services or other funding source pre-approved by Supplier ("Funder"), Customer may so notify Supplier and issue its purchase order to Supplier. In this case, Supplier will deliver the quoted items to Customer and invoice Funder upon confirmation from Funder.

If a Finance Agreement is agreed between Customer and Funder in the form of a lease, Customer's rights to use the products are, as between Customer and Funder, subject to the terms of the Financing Agreement and, as between Customer and Supplier, the provisions of the Governing Terms to the extent they are compatible with the legal nature of a lease obtained from a third party funder. This means, in particular, that warranties, indemnities, damages and limitations of liability and, unless otherwise agreed in the Financing Agreement, license terms of the Governing Terms will apply, while terms on transfer of title, payment and rights to return, to rescind or to refunds will not apply. The foregoing shall be deemed to fully satisfy any obligation of Funder to extend to Customer benefits given by Supplier.

In case Supplier is notified (by Funder or by Customer) that Customer is no longer pursuing a Financing Agreement for these items, the transaction shall be considered a sale and Customer shall pay Supplier according to the Governing Terms.

Electronically linked terms and descriptions are available in hard copy upon request.
